Too many times assessment data is too technical or the language too specialized to be useful to the coach. Winslow's innovative assessment programs are "user friendly." This allows both the professional coaches and their clients to utilize the Winslow Reports with confidence.

<p><b>Personalized Curriculum</b> "A Coach in a Binder." Our in-depth 50-page Report offers both coach and client a solid foundation to build from.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
